**COUNTY FISCAL LETTER (CFL) NO. 00/01-51**

**TO: ALL COUNTY WELFARE FISCAL OFFICERS  
ALL COUNTY WELFARE DIRECTORS**

**SUBJECT: DISCONTINUE RECIPIENT CHILD CARE TRAINING PILOT  
PROJECT AS A SEPARATE FUND AND ALLOCATION FOR  
FISCAL YEAR (FY) 2001/02**

The purpose of this letter is to provide County Welfare Departments the change on the funding, allocation and tracking of the Recipient Child Care Training Pilot Project for FY 2001/02.

For FY 2000/01, the funds for the Recipient Child Care Training Pilot Project are funded, allocated and tracked as a separate item in the Budget. For FY 2001/02, the Recipient Child Care Training Pilot Project will be part of the CalWORKs Single Allocation. Effective July 1, 2001, the title for Program Code 904, Child Care Pilot Project, will be changed to Recipient Child Care Training and the cost will be tracked against the CalWORKs Single Allocation.

In order to receive funds through the CalWORKs Single Allocation for this project in FY 2001/02, you need to request the projected need through the Direct CalWORKs Employment Services Delivery process which is part of the Proposed County Administrative Budget (PCAB) process. Please include your Recipient Child Care Training Pilot Project need on Attachment 8A under the Welfare-to-Work Post-Assessment component. The complete Attachment 8A and explanations are due to the County Financial Analysis Bureau on February 1, 2001.

The pilot project has been a success in many counties, benefiting your clients, their families and working parents. In addition to helping families to achieve self-sufficiency while increasing the availability of child care services, this program has had positive affects on recipients' parenting skills and self-esteem. We wish you continued success developing and implementing innovative programs that meet our mutual goals of helping families achieve self-sufficiency.

If you have any questions, concerning funds for the project, please contact your county analyst in the County Financial Analysis Bureau at (916) 657-3806. If you have questions regarding the pilot project, please contact Ms. Daisy Braxton in the Child Care Program Bureau at (916) 653-8712.
